

Hello

Merry Christmas! Hope all is well with you and that this season brings you joy, peace, and God's rich blessings.

We have five grandchildren now! Chelsea (our first granddaughter) was born to daughter Lori and Todd (Greenville, SC) in April joining her two brothers 5 and 3. Son Dave and Linda have two boys, ages 3 and 1 in Charlotte, NC.

Voith Siemens closed their Alpharetta office in December 2005 at the completion of the 8-year TVA Automation Project. I continued to work for them out of a home office until I completed my five year's vesting service in early September. Retirement followed at the end of the month and I have greatly enjoyed the flexibility and freedom that came with it!

We took our usual spring and fall vacations at the beach again this year spending a week there in May with Dave's family and another week there with Lori's family in September.

It was a quiet summer for me, but Joyce visited her sister in Wisconsin again and they spent several days touring the Apostle Islands and viewing waterfalls in the northern Wisconsin area. Had a great time I believe.

This is a milestone year for us and we have again been greatly blessed. We wish you a Merry Christmas, and a happy and prosperous new year!
